This Saturday, October 16, people's movements and political organizations around the world mobilize in the [International Week of Anti-Imperialist Struggle for Food Sovereignty](#), which includes festivals, webinars, seed planting and food distribution actions. Among the organizers are the rural movements that are part of [La Via Campesina](#) and the **International Peoples' Assembly**, which brings together more than 200 organizations from different countries, and which prepared this informative video on the importance of Food Sovereignty in the world today.
